

Thank you Varaha prabhu,

Hare Krsna. All glories to Srila Prabhupada. PAMFO I hope your sadhana and bhajan are going well.

Thank you for writing back with what you knew. I had also heard this as well years back, then never heard anything every again...

The RARE times I've been at an ISKCON temple, I will accept a plate with the possibility that the foodstuffs may have been accepted by Krsna (on behalf of Srila Prabhupada), because it was the desire of Srila Prabhupada, our Guru Varga (from Srila Prabhupada going back), to Sri Caitanya Mahaprabhu to Krsna, that people be given Prasadam. So even if the offering is not being done properly (being offered to (or "through" one of these ITS A CON / ITS GON gooroos), that Srila Prabhupada and Krsna know, and will "do the necessary." (I myself will reoffer whatever I've been given "just in case," though I've rarely even been offered any Prasadam at a temple.)

I hope all is going well.

May we be safely situated under the shelter of Srila Prabhupada's Lotus Feet, Those of our Guru Varga, the Vaisnavas, and Sri Sri Radha and Krsna.

With love,

Your's in service,

B. Radha-Govinda
Hare Krsna
